4-Stage Filter System
Eliminates 9 heavy metals, bacteria, and harmful contaminants for safe drinking water[1].

Hygienic Sterilization
UV sterilization inside the machine safely removes germs in the water outlet with automatic cycles every hour, giving you peace of mind about your daily water consumption.

Preset Temperature & Volume
Select and save custom temperature and capacity settings to access the exact water you need with ease.
(^Only applicabe for WD518AN)

Smart Connectivity with LG ThinQ®
Use the LG ThinQ® app on your smartphone to easily check the status of your water purifier from anywhere in real time.

LG Subscribe™ Care Service

FOR WATER PURIFIER

Deep Cleaning & Sterilization
- Cleaning water outlet
- Focus on foreign substance in and out of the water outlet
- Separating water try filter head for cleaning
- Connecting product with sterilization kit
- Inserting rubber jig to fix micro switch

Filter Replacement & Installation
- Old filter is removed before cleaning
- After cleaning and a new filter will be inserted

Maintenance Inspection
- Adjusting filter head
- Checking water leakage and moving motion
- Closing filter cover to ensure it is closed properly

*Delivery of pre-carbon filter every 6 months for self-replacement; Delivery of UF filter every 12 months for self-replacement. *Self-care refers to the self-maintenance of a product delivered by LG. Self-care kits included for Water Purifier and Air Purifier.
1. Issued by the Korea Institute for Water Technology Cerification (KIWATEC) according to the Law for the management of Drinking water. This is based on the quality inspection report, and may differ depending on the actual use environment. Heavy metals: remove more than the standard of mercury, lead, iron, aluminum, copper, arsenic, cadmium, zinc, manganese. Remove more than the standard of 19 organic chemicals, 4 pesticides, 1 microorganism, and 4 mandatory water purification performance items. The pore size of the UF is 0.1-0.3㎛, which can remove fine particles and bacteria larger than that size, and at the same time passes the ionic minerals below the size without removing it.

Thoroughly Clean in just 39 Minutes

With Turbo Wash 360®, your laundry is thoroughly cleansed with multi nozzles spraying from 4 directions, ensuring high efficiency wash without damaging the fabric.

Allergy & Wrinkle Care with Steam+

Steam+ eliminates 99.9%[4] of allergens and dust mites. Wrinkles are also reduced by 30%[5].

More Durable and Hygienic

The scratchproof tempered glass improves durability and the stainless steel internal clothing lifters promotes more hygienic washing (99% Anti-Bacteria[6]) than a conventional plastic lifter.

Precise yet Flexible Amount of Dosage

ezDispense® automatically releases the appropriate amount of detergent based on your laundry and can be used for up to 35 loads[7] of extra detergent.

LG Subscribe™ Care Service

FOR FRONT LOAD WASHER

Drain Pump Filter/Detergent Box
- Opening cap cover hose and to remove the remaining water.
- Washing the detergent box and cup with a steamer and stick brush.
- Removing water with dry tissues for the outer surface.

Cleaning Machine Room

8. The UVnano (function name: Self Care) was assessed by laboratory tests by TÜV Rheinland using internal testing methods of measuring reduction of E. coli, S. aureus and P. aeruginosa in distilled water samples after exposure to the product's UV LED for 10 minutes each hour, after a total of 24 hours in normal household use. Actual results may vary depending on environmental conditions and usage. The product does not treat or cure health-related conditions and does not guarantee that water filtered by the product will be free from contaminants such as microbiological particles affecting health of users. UVnano is a compound of the words UV (ultraviolet) and nanometer (unit of length).

TrueSteam® Efficiently Sanitizes & Refreshes Your Clothes

Reduce allergens, odors and wrinkles in your clothes. More than 99.9%[9] of bacteria and virus is removed with LG's exclusive TrueSteam® Technology.

Mirror Design

The fascinating exteriors of LG Styler® with Mirror Design can complement the design of any place in your home. You can take clothes out and try it out in front of the LG Styler®.

Gentle & Fast Drying for delicates

Low temperature drying system dries clothing faster than air drying, and prevents shrinking and damage caused by heat.

Pants Press

Keep pant creases looking crisp while reducing general wrinkling. Quick and easy care for your pants.

Reduce Wrinkles & Dust

Moving hanger slides side to side approximately 180 times per minute to shake off dust particles and reduces wrinkles effortlessly.

Dehumidify Your Space

Keep your clothes refreshed, as well as your closet and indoor spaces. LG Styler® helps to refresh surrounding clothes and atmosphere.

Sparkling Clean Dishes, Less Water Spots

TrueSteam® technology helps to break down stubborn food residue, eliminates harmful germs and delivers sparking clean dishes with fewer water spots (up to 30%[10]).

Convenient & Flexible Racking System

Fit all of your dirty dishes in the LG Quadwash® Dishwasher with the SmartRack Plus system. The height adjustable rack allows you to store dishes of different sizes and comes with a 3rd rack for your utensils.

Enhanced Cleaning Performance

LG QuadWash® offers enhanced cleaning coverage with four multi direction spray arms that shoot water streams in various angles to reach every corner of the dishwasher.

Quiet Operation

LG's technological advances, like the Inverter DirectDrive motor and the advanced self-cleaning filtration system, were designed with quiet in mind. At 44dB, this dishwasher is among the quietest dishwashers in its class.

LG Subscribe™ Care Service

FOR STYLER®

In/Out Check

- Disassemble entrance of machine room (unscrew 6 point)
- Remove dust in side Styler® and entrance of machine room
- Spray the steam inside the Styler® (30 sec)
- Use dry tissue to remove the water
- Exterior cleaning (wet cleaner), Door cleaning using glass cleaner

Filter & Water Tank Steam Care

- Separate the lint/fragrance filter and remove dust with vacuum cleaner
- Wash filter and tank and spray the steam
- Wipe off the water and dry it

Operation Check & Time Dry

- Assemble the machine room entrance
- Replace the fragrance sheet, then install the case, filter, and water tank
- Proceed with the Gentle "Dry Normal" course

LG Subscribe™ Care Service

FOR DISHWASHER

Check Hardness

- Measure the hardness of the water with a dedicated kit, adjust softener if needed

*Self-care refers to the self-maintenance of a product delivered by LG. Self-care kits included for Water Purifier and Air Purifier.
13. AI+ Energy Saving -Test application number: KR24J9U2 001 -Test date: '24.10.24 ~ '24.10.25 -Target model: AS55*G*** -Test agency: TÜV Rheinland -Test conditions: Temperature 23±5℃, Humidity 55±15% -Test method: Integrated Power Consumption of each operation mode (8 hours after 15 minutes from the start of each operation mode).
14. Pet mode Vs. Smart+ mode Cleaning capacity -Test application number: KR24PWUK 001 -Test date: '24.10.29~'24.11.01 -Test model: AS55*G*** -Test agency: TÜV Rheinland -Test conditions: Temperature 25±3℃, humidity 50±10%, Test chamber Size 4.0m x 3.0m x 2.5m -Test method: Air Cleaning performance comparison between operation modes, Pet mode and Smart+ -Test result: Pet Mode has 76.9% higher air cleaning performance than Smart+ Mode, Cleaning capacity(Pet mode 6.52㎥/min Vs. Smart+ mode 3.68㎥/min) -Test result: AI+ mode for the air purifier has 49.6% higher energy saving performance than Smart+ mode (Integrated Power Consumption (Wh) AI+ Mode 28.260Wh Vs. Smart+ Mode 56.085Wh)
15. Designed with 3D blades and a porous airflow path to reduce air tunnel noise. [Low noise] Test Model: FS151P***, Test Date: 22.02.11, Test Institution: LG Internal Lab, Test Result: Sleep mode noise 23dB.

AIR CARE AIR CONDITIONER

LG DUALCOOL® AI

AI Comfort Control
AI Air continuously optimizes airflow using LG ThinQ® app according to your preferences.

Integrated Home Appliances Control
Control / Monitor all your LG appliances from one place using Android or iOS based smartphones.

Hygenic Air Care
A multi-step filtration process, making sure the air you breathe is always fresh.

LG Subscribe™ Care Service

FOR AIR CONDITIONER

Test Run & Disassembly
- Perform test run and diagnosis
- Disassemble key parts including décor, filters, motor cover, cross-flow fan and heat exchanger thermistor for cleaning.

Cleaning & Drying
- Cleaning with high pressure water jet
- UV sanitize the indoor unit
- Drying before reassembly

Outdoor Cleaning
- Clean the outdoor fan and heat exchanger with a high-pressure water jet to eliminate dust and grime.

AIR CARE DEHUMIDIFIER

Dual Inverter Dehumidifier
DD20GMWE1
White

LG Careship
$25/m (7 Years)
$35/m (5 Years)
VISITING PERIOD - **12 MONTHS**

410(W) x 640(H) x 210(D) mm

Smart+ Mode
Automatically adjust the compressor and fan speed to ensure refreshing air suited to your environment.

Laundry Mode
Rapid dehumidification with up to 34L of capacity (114%[16] rated capacity).

Enhanced Hygiene
UVnano-treated airflow passes through the fan blades killing up to 99.99%[17] of bacteria and viruses on the surface of the fan blades, ensuring the blades are clean at all time.

Enhanced Technology
LG Dual Inverter Compressor with advanced technology is not only quiet in operation, but also effective in energy-saving.

LG Subscribe™ Care Service

FOR DEHUMIDIFIER

Filter Removal & Dust Cleaning
- Remove the filter cover and filters, brush off dust from the filter + heat exchanger.

Clean Water Tank
- Steam clean the tank to remove odor, mold, and buildup.

Clean Exterior & Drain Hole
- Wipe the dehumidifier body and clear the drain hole to prevent clogging.

Wash Filter & Replace HEPA
- Rinse the washable filter and replace the HEPA filter as required.

16. Laundry Mode -This is based on the 14-liter capacity model. -Laundry Mode : Based on LGE's internal test. Test Date : 3/25/2024 - Test conditions: temperature 26.7±1.1℃ / relative humidity 20.9±0.6% - Test Model : DD14***** - Testing Method : ANSI-AHAM DH-1-2008 - Testing Mode: Laundry Mode - Results: 18.33 L/day 7) Results may differ in actual usage environments.
17. UVnano -UVnano fan sterilization - Test Dates : 3/9/2024 ~ 3/12/2024 - Testing Laboratory : KOTITI Testing & Research Institute - Test Model : DD14GMWE0.AHK - Test conditions: (25±2) ℃, humidity (50±10) - Testing Mode : Silent Mode (Fan speed : low, UVC LED, 2 hours) - Testing Method : Measured values at two representative locations on the fan blades, compared with the number of untreated bacteria 2 hours after inoculation and product operation - Results : over 99.993% removal of Staphylococcus aureus ATCC 6538P, over 99.995% removal of Staphylococcus epidermis ATCC 12229, over 99.992% removal of Escherichia coli ATCC 25922 - This test result is based on the test method proposed by the company. It was obtained from an authorized testing agency and results may vary depending on the actual usage environment, such as a decrease in light output depending on location and lifespan. - The sterilizing effect is limited to the surface irradiated with UVC light, and there may be some areas on the surface (pan surface) that are not exposed to UVC light -The product image is for illustrative purposes.

LG OLED Brilliance
LG OLED technology enhances brightness and performance by optimizing light efficiency and minimizing light loss, resulting in bright and vibrant images.

Bright Highlights and Clear Detail
Experience greater depth and vibrant realism with VESA HDR™ True Black certification, delivering detailed black expression even in the darkest scenes.

Quick Response for Gameplay
The 0.03ms (GtG) response time is built to reduce ghosting, helping maintain clearer on-screen transitions for smoother, more responsive gameplay.

Smooth Motion
Minimize tears and lags with NVIDIA® G-SYNC® compatible and AMD FreeSync™ Premium Pro technology. Experience significantly reduced screen tearing and stuttering for smooth visuals with minimized motion blur and ghosting.

Roll it, hang it[25], detach it
Explore different ways to enjoy content and express your style. Roll the screen around with the adjustable stand. Detach it and hang it up. Or use it like a tablet with the folio cover.

Long-lasting Built-in Battery & USB-C
Enjoy a portable, detachable touch screen with 4 hours[26] of wireless playback and USB-C connectivity.

Motion Art Screen
Express your style and taste with artwork through content and themes like clock, weather, turntable, and more. Showcase your favorite visuals with a screen that can act like a digital photo frame.

Big Tablet Screen
Use the full touch screen to create art and display it with the Always On Display. With Memory Game, Chess and more, play directly on the touchscreen with friends and family.

*Self-care refers to the self-maintenance of a product delivered by LG. Self-care kits included for Water Purifier and Air Purifier.
25. Only use the provided wall mount holder from LG. During installation, the wall material should be taken into account. Otherwise, issues such as tilting or falling may occur. Refer to the manual provided for more information. Be cautious when mounting on the wall. Do not use for purposes other than intended.
26. Up to 4 hours wireless use in Eco/Low Power Mode with built-in battery. Battery life may vary by usage.

How to use
LG Sound Suite AI

W7
A DAFC-supported bass module featuring an 8-inch Peerless woofer, delivering ultra-low bass down to 25.9Hz.

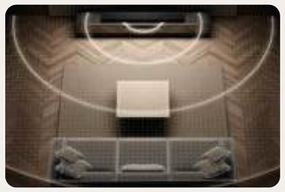

M7
Designed for immersive clarity, the M7 is a DAFC-supported speaker with AI Sound Pro and AI Calibration. Features a woofer and 3 full ranges.

M5
Compact yet dynamic, the M5 is a DAFC-supported speaker featuring AI Sound Pro and AI Calibration. Features a woofer and dual tweeters.

H7
The center of Sound Suite, the H7 is an all-in-one sound system with Alpha 11 AI processor. Built with 4 subwoofers and 8 passive radiators.

Dolby Atmos FlexConnect
Freedom in placement, precision in sound

Room Calibration Pro
Fully Immerse yourself in enterainment

Design your ideal combination
Choose from H7, M7, M5, and W7 to create a configuration that suits yours style and preferences. However you arrange them, Sound Suite automatically optimizes the sound for you.

Sound Follow
Freedom in placement, precision in sound

Cinema Suite 7

H7 + W7
Self Care*
$40/m (5 Years)

Cinema-grade sound with a simple setup
Deep, impactful bass delivers theater-quality sound without the complexity.

Stereo Suite 7

M7 x 2
Self Care*
$20/m (5 Years)

Premium stereo sound with wireless freedom
Optimized by AI Sound & Calibration, can be placed wirelessly for maximum flexibility — ideal for music lovers who want pure, spacious stereo performance in larger rooms.

Stereo Suite 5

M5 x 2
Self Care*
$15/m (5 Years)

Immersive detail even in small spaces
Optimized by AI Sound & Calibration, can be placed wirelessly for maximum flexibility — perfect for those who want rich stereo sound across different environments.

*Self-care refers to the self-maintenance of a product delivered by LG. Self-care kits included for Water Purifier and Air Purifier.

Speaker: 1,250(W) x 63(H) x 135(D) mm
Subwoofer: 201.7(W) x 407(H) x 403(D) mm

Soundbar
S90TY
Black

Self Care*
$25/m (5 Years)

A virtual layer creates lifelike sound
Triple Level Spatial Sound adds a virtual layer to create a sound dome around you of richer sound.

WOW Synergy
Enjoy enhanced audio experience with an LG TV and Soundbar pairing. WOW Orchestra uses speakers on both a compatible LG Soundbar and a compatible TV to create an expanded soundstage, while WOW Interface allows convenient control of the Soundbar through the TV's interface.

AI Room Calibration Pro
The Soundbar scans the room to find you and your speakers and, regardless of placement, adjusts volume differences and delay time for an unparalleled listening experience that soars through the room.

4K Pass-through & VRR/ALLM Support
Free up ports on your TV and connect consoles to the Soundbar without compromising graphics performance. VRR/ALLM support ensures tear-free, low input lag gaming.

*Self-care refers to the self-maintenance of a product delivered by LG. Self-care kits included for Water Purifier and Air Purifier.
